Safety Standards:

- UL 916 - UL Standard for Safety Energy Management Equipment - Fourth Edition
- CSA C22.2 No. 205-M1983 (R 2009) Signal Equipment - First Edition

Dear Mr. Kwun:

Congratulations on successfully completing the MET Certification process for the Energy Saving Device, Model: FORCE. Enposs Inc. may begin to apply the MET Mark on the above stated product at this time in accordance with the MET Mark Utilization Agreement or the MET Applicant Contract. The reports covering the above stated product will be forthcoming.

Follow-up inspections are conducted unannounced and biannually to assure the Certified product is identical to the product evaluated.

Thank you for the opportunity to perform this service for Enposs Inc. We look forward to future opportunities with your company.

Sincerely,

MET LABORATORIES, INC.

Rick Cooper
Director of Laboratory Operations,
Safety Laboratory

The Nation's First Nationally Recognized Testing Laboratory
